QUICK QUOTES, INC. SELECTS PORT OF CENTRALIA FOR EXPANSION

Quick Quotes, Inc. has entered into a long-term lease agreement to locate a new facility in the Port of Centralia's Industrial Park I. A wholesaler of paper and scrapbook products, Quick Quotes has risen from humble beginnings. Founded in 2001 in a Glenoma, Washington garage, Quick Quotes chose a permanent location with the Port of Centralia to facilitate their continued growth.

The company specializes in what co-owner and CFO Andy Millet calls, "Memory preservation. Our products are guaranteed to touch your heart and make you smile." The new facility will allow the consolidation of their current three facilities into one, putting all of their departments, including design and production, under one roof. Millet stated. "I am excited that the Port has given us the chance to grow and expand in the community that we love." Quick Quotes currently has ten employees, but will be hiring more in the near future as they settle into their new larger facility at the Port.

Port of Centralia Commission President Gene Groshong stated, "We are glad that the Port was able to provide a facility to meet Quick Quotes needs. They have a proven record of creating jobs in our community and we are hopeful that this expansion will lead to more new jobs at a time when our community needs them the most." Groshong continued "We look forward to a long-term relationship with this firm."
